Time Will Tell!

Each puzzle results in a code word or words, which must be entered to stop the clock.

If you ignore the exact pitches in a melody and consider only whether each note in a song goes up, down, or repeats the previous pitch, each song in this list can be written in code. Match each song to a code in the first column of the chart and then time will tell.

Doe, a deer, a female deer; ray, a drop…
Fifth Symphony in C minor (Beethoven)
Hallelujah! Hallelujah! Hallelujah!... (Handel's Messiah)
Hawaii Five-O Theme Song
If I were a rich man, daidle deedle…
Imagine there's no heaven. It's easy…
Prelude in C# minor (Bells of Moscow)
Seventy-six trombones led the big parade…
Somewhere over the rainbow, way up high…

The asterisk stands for the first note, D means go down in pitch, U means go up in pitch, and R means repeat pitch.	Which Song?	Rhythm-long/short (What would Samuel do?)				Decode
